Reade for a jury trial scheduled to commence in the third floor courtroom of the Federal Courthouse in Cedar Rapids, Iowa, during the two-week period beginning on \_\_\_\_\_. Several cases are set for that period and at this point it has not been determined the order in which they will be tried.

***II. FINAL PRETRIAL CONFERENCE:*** A final pretrial conference (“FPTC”) in this case will be held in the courtroom beginning **promptly at 8:30 a.m.** on the day scheduled for the commencement of trial. All counsel and parties are expected to be present for the FPTC at the scheduled time, prepared fully to proceed with the trial of the case.

### ***IV. MOTIONS, NOTICES, AND REQUESTS:***

***A. Trial-Related Motions.*** All trial-related motions, including motions in limine, must be served and filed as soon as practicable, but at least **10 court days** before the

---

<sup>1</sup>Trial Scheduling Order **revised** February 1, 2007.

commencement of trial. This deadline applies to the original trial date, or if the trial date is continued, to the subsequent trial date. Resistances to these motions must be served and filed within **5 court days** after the filing of the motion. *See* LCrR 47.1(a). In any event, a resistance to a motion must be served and filed at least **2 court days** before the scheduled trial date.

The parties are required to notify the court by trial brief or by motion under Federal Rule of Evidence 104(a) of all novel, unusual, or complex legal, factual, or procedural issues reasonably anticipated to arise at trial.

The court will take up all trial-related motions at the FPTC, unless otherwise ordered.

B. Nontrial-Related motions. All motions referred to in Local Criminal Rule 12.1(a), including motions to suppress evidence, must be filed within **28 calendar days** after the date of the arraignment.

C. Notices. All notices referenced in Local Criminal Rule 12.1(a) must be given within **28 calendar days** after the date of the arraignment.

D. Requests. All requests referenced in Local Criminal Rule 12.1(a) must be made within **28 calendar days** after the date of the arraignment.

Requests for **subpoenas** and **writs of *habeas corpus ad testificandum*** must be submitted **no later than 21 calendar days<sup>2</sup> before trial**. These requests will be handled by Chief Magistrate Judge John A. Jarvey; a courtesy copy should be delivered to Judge Jarvey to ensure prompt processing of these requests.

---

<sup>2</sup>If the scheduled trial date falls between November 15 and January 15, requests must be submitted no later than 28 calendar days before the scheduled trial date.

All requested **voir dire** questions and **trial briefs** must be served and filed at least **5 calendar days** before the commencement of trial. The parties will not be permitted to ask questions of the jurors that are not first submitted in writing.

The deadlines in this subsection apply to the original trial date, or if the trial date is continued, to the subsequent trial date.

E. Witness and Exhibit Lists. The parties shall exchange a list of prospective witnesses and a list of prospective exhibits no later than **5 court days** prior to the scheduled trial date. The parties shall provide the court with a courtesy copy of these lists at the time they exchange them. For witnesses for whom there exists no statements or reports that were subject to disclosure through discovery, the party listing the witness shall also note next to the witness's name on the list the general purpose of his or her expected testimony. The parties have an ongoing obligation to update their exhibit and witness lists, in the event the lists change after the initial submission and exchange.

V. **DISCLOSURE OF JENCKS MATERIAL:** No later than **3 calendar days** before the commencement of trial, the United States shall provide to each defense attorney all materials required to be disclosed to the defendant under the Jencks Act for each witness identified on the witness list. No later than the day before it is anticipated that the Government will rest its case in chief, each defense counsel shall deliver to the Assistant United States Attorney prosecuting the case any Jencks Act material which relates to the witnesses listed on the defendant's witness list.

VI. **JURY INSTRUCTIONS, VERDICT FORMS AND INTERROGATORIES:** The parties' assistance with the preparation of jury instructions, verdict forms and interrogatories is mandatory, and failure to submit proposals or objections as indicated in this Order shall be deemed waiver of such proposals or objections. To aid the parties in meeting their obligation to assist with the preparation of jury instructions,

verdict forms and interrogatories, representative stock and case-specific instructions can be viewed on the court's website at [www.iand.uscourts.gov](http://www.iand.uscourts.gov).

A. Parties' Instructions Conference. At least **10 court days** before the commencement of trial, the parties are to have an Instructions Conference,<sup>3</sup> by telephone or in person. The Assistant United States Attorney in charge of the case is responsible for initiating the conference. However, failure of the Assistant United States Attorney to initiate the conference will not excuse the parties from submitting case-specific instructions, verdict forms and interrogatories separately by the deadline for such submissions, which is **7 court days** before trial.

At the parties' Instructions Conference, the parties shall attempt to agree on the form and content of the following case-specific instructions, verdict forms and interrogatories:

(1) "elements" of offenses charged, lesser-included offenses, and attempt or aiding and abetting alternatives, *and* any necessary explanatory instructions;

(2) except in extraordinary circumstances, any "theory of defense" instruction(s) requested by the defendant(s);<sup>4</sup>

(3) "impeachment" instructions, which so far as practicable shall include the name of the witness(es) to whom individual impeachment instructions (such as prior conviction,

---

<sup>3</sup>The Defendant need not be present at the conference.

<sup>4</sup>In the extraordinary circumstances in which a defendant might be prejudiced by revealing a theory of defense prior to trial, the defendant may submit a proposed "theory of defense" instruction for the court's *in camera* review ten court days before trial, so that the court has the opportunity to review, research, and/or revise the instruction. In those circumstances, the defendant's proposed "theory of defense" instruction will only be revealed to the government prior to the instruction conference required by Rule 30 of the Federal Rules of Criminal Procedure.

testimony pursuant to a plea agreement or offer of immunity, testimony of an informant, etc.) are applicable;

(4) any other case-specific instructions, such as limiting instructions (to be given orally or in writing), that the parties can reasonably anticipate before evidence is presented at trial;

(5) verdict forms for each offense charged and each defendant; and

(6) any relevant interrogatories.

In preparation for the parties' Instructions Conference, at least **2 court days** before the conference, the Assistant United States Attorney responsible for the case shall serve (via telefax) on all other counsel the government's proposed jury instructions, verdict forms and interrogatories. At least **1 court day** before the conference, counsel for the defendant(s) shall serve (again via telefax) on all other counsel any alternate proposals.

B. Submission of Proposed Instructions, Verdict Forms and Interrogatories. At least **7 court days** before the commencement of trial, the parties must **jointly** file written proposed instructions in each of the categories identified in subsection (A) above, consisting of the following: (1) all joint (that is, agreed) instructions, verdict forms and interrogatories; and (2) any instructions, verdict forms or interrogatories to which the parties have not agreed. The parties shall also advise the court in the written proposed instructions whether instructions will be needed for expert testimony or testimony by a defendant. Each requested instruction, verdict form and interrogatory shall be separately numbered (disputed instructions on the same issue shall be identified, for example, as 5A for the plaintiff's submission, and 5B for a defendant's submission), shall begin on a separate page, and shall be double-spaced. **Every proposed instruction, verdict form and interrogatory must indicate at the bottom the authority upon which it is based, such as model instruction number, statute, regulation, decision, or other authority.**

**All pattern instructions must be submitted in full text form with case-specific modifications**, such as name of a party or witness or alternative language applicable, with such modifications indicated by underscoring of additions and striking out of deletions.

C. Objections to Instructions, Verdict Forms and Interrogatories. At least **7 court days** before the commencement of trial, the parties also shall **separately** serve and file the following: (1) objections to the court's stock instructions and any different or additional stock instructions the party requests; and (2) written objections to the opposing party's proposed instructions, verdict forms or interrogatories on any disputed matters. **Again, every objection or proposed alternative instruction, verdict form or interrogatory must indicate the authority upon which it is based, such as model instruction number, statute, regulation, decision, or other authority, and all pattern instructions must be submitted in full text form with case-specific modifications.** The parties will also have the opportunity to make objections on the record to the final form of Preliminary and Final Jury Instructions (including verdict forms and interrogatories) before they are read to the jury.

D. Instructions, Verdict Forms and Interrogatories in the Course of Trial. Instructions, verdict forms and interrogatories not requested as set forth above shall be deemed waived, unless the subject of the instruction is one arising in the course of trial that could not reasonably have been anticipated before trial from the Indictment, discovery, or nature of the case. Instructions, verdict forms or interrogatories that could not reasonably have been anticipated may be submitted in the course of trial, but unless circumstances make it impracticable to do so, such instructions, verdict forms or interrogatories must be submitted in writing with supporting authority.

E. Deadlines. Deadlines as specified in this section apply to the original trial date or any subsequent trial date to which the trial is continued.

**VII. READING OF JURY INSTRUCTIONS:** The court does not require the court reporter to report the reading of the jury instructions, and considers the instructions read as published in the final written version. The parties should make a record as to any misreads of the instructions at the conclusion of the reading of the instructions.

It is the practice of the court to read to the jury a set of Preliminary Jury Instructions, immediately before opening statements, and a set of Final Jury Instructions, including both case-specific and stock instructions, before and after closing arguments.

It is the practice of the court to read all but the last two of the final instructions to the jury prior to closing arguments. *See* Fed. R. Crim. P. 30. The last two instructions, which concern the jury's duties during deliberations, and the verdict forms and any interrogatories will be read upon the conclusion of argument, just prior to the jury retiring to consider its verdict.

If any party has an objection to any part of the procedure described in this section, that objection must be raised at or before the FPTC.

**VIII. ACCEPTANCE OF RESPONSIBILITY:** This court has a very heavy volume of criminal cases which necessitates the scheduling of a number of criminal cases to commence on the same date. In order to afford all parties as much notice and opportunity to be prepared for trial as possible, the court anticipates making a final decision as to the cases to be tried and the order of trial, approximately two (2) weeks in advance of the date set for trial.<sup>5</sup> Accordingly, all defendants are put on notice that the additional one level decrease for acceptance of responsibility provided for under USSG §3E1.1(b)(2) will not be given to the defendant, unless the defendant signs a plea agreement no later than the close of business fifteen (15) court days in advance of the date

---

<sup>5</sup>Because jury selection is sometimes done earlier than the listed trial date, the "trial date" for purposes of this section is the day the jury is sworn. *See* Section X(O) herein.

scheduled for trial and enters the plea more than ten (10) court days before trial. A defendant who pleads guilty without a plea agreement must notify the court of his/her intention no later than fifteen (15) court days before trial and enter the plea more than ten (10) court days prior to trial.<sup>6</sup> Once that deadline has expired, the parties can assume that the court will no longer grant the additional one level decrease because of the inability of the court to allocate its resources efficiently, unless exceptional circumstances are shown during the sentencing hearing.

***IX. JURY INVESTIGATION:*** If any party does any type of jury investigation, the party must disclose to the court and all opposing counsel the name of any potential juror who has been determined to have a criminal conviction for an offense more serious than a simple misdemeanor.

***X. JURY SELECTION PROCEDURES:*** The following are Chief Judge Linda R. Reade's jury selection procedures:

A. Approximately 50 randomly-selected potential jurors will be notified to appear at the courthouse at 8:00 a.m. on the first day of trial.<sup>7</sup> About a week before trial, the attorneys can obtain from the Clerk of Court a list of the potential jurors, together with copies of their juror questionnaires. The attorneys also will receive a list of the first 30 potential jurors<sup>8</sup> in the order in which they were randomly drawn. The court will be

---

<sup>6</sup>This notification must be given by contacting Karo at 319-286-2344 or Diane at 319-286-2330 and by filing a document stating his/her intention to plead.

<sup>7</sup>Sometimes the jury may be selected by Judge Jarvey at a time or date different from that listed herein. Parties are to notify the Court if they do not consent to a United States Magistrate Judge conducting jury selection. Additionally, parties consenting to the Magistrate Judge for jury selection will each be permitted up to 45 minutes for voir dire.

<sup>8</sup>Thirty is the number of potential jurors needed, after 16 peremptory challenges, to produce 12 jurors and 2 alternates. One additional potential juror will be seated for each additional peremptory challenge and for each additional alternate juror required to try the case. Any request for additional

provided with a separate list of all of the potential jurors in the order in which they were randomly drawn.

B. The first 30 of the preselected potential jurors who appear for jury selection will be seated in order in the jury box,<sup>9</sup> and will be the potential jurors first considered for impanelment on the jury.

C. At 9:00 a.m., the potential jurors will be escorted into the courtroom.

D. Chief Judge Linda R. Reade will greet the jury, counsel, and the parties; announce the name of the case to be tried; and ask counsel if they are ready to proceed.<sup>10</sup>

E. Chief Judge Linda R. Reade will swear in the entire jury panel.

F. Chief Judge Linda R. Reade will make some introductory remarks to the jury about the jury selection process.

G. Chief Judge Linda R. Reade will ask the entire jury panel if they are aware of any circumstance that might prevent their service on the jury, and may excuse anyone for whom she believes jury service would be an undue burden. The parties may not address this issue with the jurors.

H. Chief Judge Linda R. Reade will read a statement of the case.

peremptory challenges or alternate jurors, must be served and filed at least **14 court days** before the commencement of the trial. If there are multiple defendants, the defendants must decide how to use their peremptory challenges. If the defendants cannot agree, this must be communicated to the court at least 14 court days before the commencement of trial.

<sup>9</sup>If any of the first 30 preselected potential jurors does not appear for jury selection or is excused from jury service after arriving at the courthouse, that potential juror will be replaced with the next potential juror on the judge's list of preselected potential jurors, and the attorneys will be provided with an updated list.

<sup>10</sup>If at any time the parties need to discuss a potential juror, they shall ask for a sidebar.

I. The Assistant United States Attorney will be asked to read the Indictment. The Assistant United States Attorney shall not read any alias, nicknames or the code sections under which the charges are brought.

J. Chief Judge Linda R. Reade will introduce the courtroom staff. She then will ask the attorneys to identify themselves, anyone sitting at counsel table (i.e. their clients or agents), the members of their firm, the witnesses they expect to call at trial, and any other individuals whose names may be discussed during the trial.

K. Chief Judge Linda R. Reade will engage the potential jurors in the jury box in voir dire. This voir dire may include questions for the panel requested by a party who has served and filed a timely pretrial request for voir dire.

L. After Chief Linda R. Reade has completed her questions, each side, beginning with the government, will be permitted to conduct up to one-half hour of jury voir dire. The parties shall not refer to alternate jurors in anyway, including referring to a panel of "12 jurors." The attorneys are not permitted to argue their case or engage in questioning unrelated to the juror's ability to serve. A request for additional time for attorney voir dire because of the complexity or unusual nature of a case, or in multi-party cases, should be made at or before the FPTC.

M. The parties will be permitted to challenge any potential juror for cause. These challenges may be made at the sidebar. If a potential juror is excused for cause, he or she will be replaced by the next potential juror on the judge's list of preselected potential jurors, who then will undergo the same questioning as the other potential jurors. There will be 30 potential jurors remaining in the jury box at the conclusion of voir dire.

N. The Deputy Clerk will give counsel for the United States a list of the names of the 30 remaining potential jurors. Counsel for the United States is to strike 1 of the names by noting in the provided space "π 1." The Deputy Clerk will then take the list and

hand it to counsel for the defendant(s), who is/are to strike 2 of the names by noting in the provided space "Δ 1" and "Δ 2." The Deputy Clerk will then take the list and hand it to counsel for the United States to select 1 name and the process will be repeated until the United States has exercised 6 peremptory challenges, the defendant(s) has/have exercised 10 peremptory challenges and 14 jurors remain on the list. After counsel for the United States has exercised its last strike, the Deputy Clerk will provide counsel for the defendant(s) with the list for review. The Deputy Clerk will take the list to Chief Linda R. Reade, who will consult with counsel regarding alternate jurors. The alternate jurors shall be the last two names on the challenge sheet. Chief Linda R. Reade will then announce the 14 selected jurors. The rest of the panel will be excused.

O. Chief Linda R. Reade will swear in the jury.

Any objection to Chief Linda R. Reade's procedure for selecting jurors and alternate jurors and must be served and filed at least **14 court days** before the commencement of the trial.

***XI. CONDUCT OF TRIAL:*** It is anticipated that the first day of trial will last from **9:00 a.m. to 5:00 p.m.** Thereafter, a normal trial day will last from **9:00 a.m. to 5:00 p.m. or 8:30 a.m. to 2:30 p.m.** If the trial day is 8:30 a.m. to 2:30 p.m., there will be two twenty-minute breaks, the first usually beginning between 10:00 a.m. and 10:30 a.m., and the second usually beginning between 12:10 p.m. and 12:30 p.m. If the trial day is 9:00 a.m. to 5:00 p.m., the court will take an hour lunch break, as well as a short break in both the morning and afternoon. The parties are expected to have witnesses available so the court can take testimony throughout the full trial day with no undue delays in the receipt of evidence.

After the first day of trial, **the parties and their attorneys are expected to be at the courthouse and available in the courtroom by no later than one-half hour before**

**the jury is scheduled to arrive on each morning of trial.** The time between the arrival of the attorneys and the start of testimony is to be used to review exhibits which the parties anticipate introducing into evidence during that trial day, to set up any audiovisual equipment, and to take up any evidentiary or other issues which need to be addressed outside the presence of the jury. In the event any party believes there may be particularly difficult issues that may require more than 5 or 10 minutes to resolve, that party must advise the court and opposing counsel so an earlier time can be set to meet with counsel and the parties outside the presence of the jury and still start the receipt of evidence on time.

Sidebar conferences during the trial are strongly discouraged by the court. **Defense counsel are advised that a defendant, whether in custody or not, is entitled to participate in sidebar conferences by putting on the headset provided.** Defendants shall not accompany their attorneys to sidebar. All defendants should be advised by counsel of this right before the commencement of trial.

***XII. OPENING STATEMENTS; CLOSING ARGUMENTS:*** Opening statements are limited to **30 minutes** and closing arguments are limited to **60 minutes**. **A request for additional time for opening statements or closing arguments must be made no later than the final pretrial conference.**

***XIII. DEMONSTRATIVE AIDS:*** A party using a demonstrative aid during trial must, before the demonstrative aid is displayed to the jury, show the demonstrative aid to the court and a representative of all other parties participating in the trial. The term “demonstrative aid” includes charts, diagrams, models, samples, and computer presentations, but does not include exhibits admitted into evidence.

***XIV. PROTOCOL FOR WITNESSES:*** An attorney who may call a witness to testify at trial must, before the witness testifies, advise the witness of the accepted protocol for witnesses testifying in this court. This advice should include the following information: (A) the location of the witness box; (B) the proper route from the courtroom door to the witness box;<sup>11</sup> (C) the fact that the witness will be placed under oath; (D) where the witness should stand while the oath is being administered; (E) that the witness should adjust the witness chair and the microphone so the microphone is close to and directly in front of the witness's mouth; (F) that the witness should speak only in response to a question; (G) that the witness should wait for a ruling on any objections before proceeding to answer a question; (H) that the witness should answer all questions verbally; and (I) that substances such as food, beverages, and chewing gum should not be brought into the courtroom.

The attorney also must advise the witness of proper dress for the courtroom. Proper dress does not include blue jeans, shorts, overalls, T-shirts, collarless shirts, shirts with printed words or phrases on the front or back, tank tops, or the like. Law Enforcement Officers should be advised that they are not permitted to wear their uniform while testifying.

***XV. RESTRICTIONS ON WITNESSES:***

A. Exclusion of Witnesses. A witness who may testify at the trial or at an evidentiary hearing shall not be permitted to hear the testimony of any other witnesses before testifying, and is excluded from the courtroom during the trial or hearing until after the witness has completed his or her testimony, unless exclusion of the witness is not

---

<sup>11</sup>A map displaying this route is attached to this order. A copy of this map should be provided to each witness who is unfamiliar with the layout of the courtroom by the attorney calling the witness to testify.

authorized by Federal Rule of Evidence 615 or the Victims' Rights Act and/or the Justice for All Act, or unless the court orders otherwise. A witness who is excluded from the courtroom pursuant to this paragraph is also prohibited from reviewing a verbatim record of the testimony of other witnesses at the trial or hearing until after the witness has completed his or her testimony at the trial or evidentiary hearing, unless the court orders otherwise.

B. Restrictions on Communications with Witnesses. Unless the court orders otherwise, after the commencement of the trial or an evidentiary hearing and until the conclusion of the trial or hearing, a witness who may testify at the trial or hearing is prohibited from communicating with anyone about what has occurred in the courtroom during the trial or hearing. If the witness does testify at the trial or hearing, after the witness is tendered for cross-examination and until the conclusion of the witness's testimony, the witness is prohibited from communicating with anyone about the subject matter of the witness's testimony. A witness may, however, communicate with his or her attorney about matters of privilege, and may communicate with anyone if the right to do so is guaranteed by the United States Constitution.

C. Parties. The restrictions on witnesses in paragraphs (A) and (B) of this section do not apply to the government's case agent, any defendant in the case, or any investigator employed by a defendant in the case.

D. Uniformed Witnesses. No person who testifies at trial on behalf of any party in this case, and no defendant, government case agent, or investigator, shall appear in court in the presence of the jury wearing a law enforcement uniform. Any such person shall, at all times while in the presence of the jury, wear appropriate civilian clothing that does not identify the person as a representative of a law enforcement agency. The

testimony of any witness appearing in court before a jury in attire prohibited by this order may be barred. *See* Administrative Order No. 1513.

E. Duties of Counsel. An attorney who may call a witness to testify at the trial or evidentiary hearing must, before the trial or hearing, advise the witness of the restrictions in this section and the court's ruling on any motions in limine.

**XVI. COURTROOM TECHNOLOGY:** Before the commencement of trial, attorneys and witnesses who intend to utilize the technology available in the courtroom must familiarize themselves with the proper manner of operation of the equipment. No instruction on the operation of technology will be available once the trial starts. Instruction and training on the proper use of the equipment may be obtained by scheduling an appointment with a member of the court's automation staff by calling 319-286-2300. Information also may be obtained from the court's website at the following web address: *www.iand.uscourts.gov*.
